THE DEPUTY MINISTER IN THE DEPARTMENT OF FAMILY WELFARE (SHRI S. KRISHNA KUMAR): (a) to (e) Information has been called for from the State Drug Controlling authorities and the Port Officers at Calcutta, Bombay, Madras and Cochin and the same will be laid on the Table of the Sabha on receipt.

Ad-hoc appointment of Junior Medical Officers in the CGHS

1220. SHRI GHULAM RASOOL MATTO:
SHRI S. W. DHABE:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that in the CGHS Junior Medical Officers are appointed on daily wages or monthly wages for a duration of 90 days;

(b) if so, how many such appointments have been made under the scheme and since how long they have been working; and

(c) what are their other service conditions?

THE DEPUTY MINISTER IN THE DEPARTMENT OF FAMILY WELFARE (SHRI S. KRISHNA KUMAR): (a) Yes, Sir. Junior Medical Officers are appointed on monthly wages basis in case of non-availability of regular Junior Medical Officers.

(b) 87 Medical Officers have been appointed on monthly wage basis with effect from 12-8-85.

(c) A copy of their service conditions including pay and allowances is enclosed. *(See below)*

Terms and conditions in brief of Junior Medical Officers to be appointed under C.G.H.S., Delhi on monthly wages

Duration of appointment 90 days at a time. Can be re-appointed after every 90 days with a break of one day.

2. *Salary*: Rs. 650/- per month + Allowances, with H.R.A., C.C.A., D.A., A.D.A. and N.P.A. as admissible to other Junior Medical Officers from time to time Will not be entitled to any increment. (Rs. 2,100/- approximately excluding HRA)

3. Will not be entitled for CGHS benefits, Provident Fund facilities, any type of leave and conveyance allowance.

4. Appointment order can be terminated at any time without any notice or assigning any reasons, etc.

5. Liable to be called for work on holidays or for night duty, if necessary, without any further compensation.

6. Expected to make domiciliary visits not exceeding twenty in a month.

7. The appointment will be outside Central Health Services (C.H.S.)

8. Will be subject to all rules and instructions of the Government of India regarding conduct/discipline, etc.

9. Will be subject to all rules and instructions of the Government of India regarding conduct/discipline etc.

10. He/She will be entitled for payment of woges for all closed Holidays for Central Government.

Rotary Cancer Hospital in Delhi

1221. SHRI PARVATHANENI UPENDRA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that the Rotary Cancer Hospital in Delhi is working only as an appendage of the All India Institute of Medical Sciences, New Delhi and that it has no Director to coordinate the functioning of its different wings namely radiotherapy, surgery and chemotherapy; and

(b) whether it is also a fact that the doctors in the Out-door Patients Department in the Rotary Cancer Hospital start examining the Out-door Patients after 11 A. M. instead of 9.00 A.M. like the Out-door Patients Department in the All India Institute of Medical Sciences and other major hospitals, if so, what are the reasons therfor?

THE DEPUTY MINISTER IN THE DEPARTMENT OF FAMILY WELFARE (SHRI S. KRISHNA KUMAR): (a) The Institute—Rotary Cancer Hospital, New Delhi is as much a part of the All India Institute of Medical Sciences as other Departments/Centres viz. Dr. Rajendra Prasad Centre for Ophthalmic Sciences, Cardiothoracic Centre & Neuro Sciences Centre. Professor and Head of the Department have been designated as Chiefs of such centres who coordinate the functioning of the Centres under them and are responsible to the Director, All India Institute of Medical Sciences.

(b) It is true that doctors in the Out-door Patients Department in the Rotary Cancer Hospital start examining the Out-door patients after 11.00 a.m. These timings have been fixed due to following reasons:—

1. Chemotherapy can be administered only after the report of blood counts is available. Majority of patients are therefore, to get blood counts checked before the chemotherapy is administered on the same day. Therefore, the patients have to come in the morning when they give their blood samples so that the reports are ready by 11.00 a.m.

2. The morning timings i.e. 9.00 a.m. to 11.00 a.m. have been fixed so that the doctors can look after the in-door patients since same Faculty and Resident doctors carry out both in-patients and out-patient work.

The patients suffering from cancer disease also report to various O. P. Ds of the All India Institute of Medical Sciences (Main) hospital and are examined there. If necessary, they are referred to the Institute-Rotary Cancer Hospital for further investigation and treatment. Besides, there is a Radiotherapy Department in the All India Institute of Medical Sciences (Main) which also treats the patients suffering from cancer disease. The patients are seen in the morning from 9.00 a.m. onwards in all the O.P. Ds of All India Institute of Medical Sciences and from 2.00 p.m. onwards in the clinics.

Assistance to the State Road Transport Corporations

1222. SHRI JAGDISH JANI: Will the Minister of TRANSPORT be pleased to state:

(a) whether the Central Government have been giving financial assistance to the State Road Transport Corporations; and

(b) if so, what are the details of investment made by Central Government in different State Road Transport Corporations during the last three years?

THE MINISTER OF STATE IN THE DEPARTMENT OF SURFACE TRANSPORT (SHRI RAJESH PILOT): (a) In terms of Section 23(1) of the Road Transport Corporation Acts 1950, the Central Government and the State Governments provide capital contribution to different State Road Transport Corporation set up under this Act in the ratio of 1:2 respectively.

(b) A Statement is *annexed*.
